PRESIDENT'S MESSAGE

by Jack Ward #53585

For one final chapter....Greetings from the President's sofa!

The final countdown has arrived. While I am overjoyed to be able to proclaim that the IL JCI Senate made it through another year, I am sad to see it end. It seems as though it was a day or so ago when I took the oath of office and was ready to face an exciting year. Now it has run it's course.

This past quarter was a busy one! The Annual TOYP once again took center stage. Congratulations to co-chairmen JoAnn Smith (#51107) and John Gill (#49450), for the wonderfully orchestrated event! Though the plans for the TOYP/GA weekend were made on a sad note with the total destruction of the home of GA chairman, Mary Ann Hilleary (#64615), she and the behind the scenes team were able to pull the deal off. Thanks to all who stepped in when the Senate needed you the most!

A Thank You is sent to the following Senate members who stepped forward to assist with the IL Jaycees/Senate Raffle days. Senators Chuck McFarlin (#47910), Karen Helms (#57838), Chris Svitek (#64841), Steve "Coach" Bouchard (#46231) and Donna Ward (#53588) all stepped forward to spend the sunny Memorial weekend indoors manning the ticket sales for the event.

The final event of the year was the Bubba Bash. Thanks to the team that worked hard at putting this Annual event together and making it another success!

By the time you are reading this, we will have attended the National JCI Convention in St. Charles, MO. We will have a wrap up report for you at the Summer Picnic in Kewanee!

And now, when it is time to pass the gavel for this great organization, I am ready for this is something that everyone should have the chance to experience. The opportunity to serve as your President is one that I have enjoyed immensely and I am excited about sharing that with another. IL JCI Senate members, I am proud of the work that you have accomplished this year and I am honored that you allowed me to share it with you.

In honor of the heritage...
I leave you with this blessing...
*May you have warm words
on a cold evening,
A Full moon on a dark night,
And the road downhill all the
way to your door*

Thank You IL JCI SENATE!
Yours in Friendship, love and loyalty...

Congratulations to the TOYP Honorees!!!

Friendship is something one often times takes for granted but is so important when a tragedy occurs. On behalf of Mary Ann #64615 and Ross (our son), I want to personally thank all of the Illinois Jaycee Senate, the Illinois Jaycees and the Ohio Senate and Senators for all your support since our home fire on April 23, 2006. As you may know our home burned to the ground on that Sunday. All of your support has been greatly appreciated. Ross and Mary Ann are working on the new house plan drawings and are incorporating the wrap-a-round porch with Cracker Barrel Rockers. We plan to rebuild on the farm. There are 30 acre's and we are looking to move the new house further south and slightly west of my Great-Grandparents home's footprint. We have moved into the home we owned when we first got married. It's small, but we didn't have much to put into it. We are still receiving mail at the farm address of 3158 East Main, Danville, IL 61834. Again, thanks for everything you have done!

We have had a great team of chairmen for the administrative area of responsibility this year. As we wrap up the year, here's what's going on in their respective areas:

Chris Curtis #35440 is still working the Return the Favor Program. Please continue to send in your information regarding what you do for the Jaycees so he can forward the information to President Jack. You can send him the information at crssunkt@htc.net or call him at 618-286- 4366. Bev Olson #35440 is continuing to do Freshman Senators and was recently elected as President of the Foundation, congratulations. Patty Butler #65322 is our representative for Camp New Hope. The camp always has many needs, and they are currently in need of Sharpie permanent markers or other laundry markers and camper sponsors. The volunteer clean up day was scheduled for April 8, 2006 and the annual Open House was April 20th. Both were a success. There are nine one-week sessions with 40 campers per week and a day camp. Get your raffle tickets now for St. Louis Cardinal Baseball. Give Patty a call so you can attend some great baseball this summer. The membership in the Camp New Hope Booster Club is down and the cost is only \$10 and can be mailed to the camp at P. O. Box 764, Mattoon, IL 61938.

Bill Hector #65358 is still working with the Organ Donor Program. Karen Helms #57838 is working with the Family Aids Network. She also chaired the Silent Auction this year and thanked all who helped with the project, which raised around \$2,000. JDO #35308 is continuing his work with Operation DD. Gary Pittenger #24804 continues his work with Golf - Olsen & Bubba as fund raisers for the foundation's two scholarship programs. This year the Bubba is the day before the National meeting in St. Charles, Missouri, and we are promoting it as additional event for the National Meeting to be held on Saturday, June 17th at the Triple Lakes Golf Course in Millstadt, Illinois. Chuck Fries #18344 stated that the Foundation was able to assist the Jaycees with \$30,000 worth of financial assistance for several projects. He thanked everyone for his opportunity to serve the Foundation and wished Bev well in her new endeavor. Dick Hiatt #7811 is continuing his great work as the official historian but he still needs your help. He is looking to continue his articles on "Where are they now?" but needs your input. If you know of a senator who we haven't seen in a while, let Dick know. We have a great group of individuals who make this area run smoothly. If you need to get in touch with me my email address is ghilleary@hacd-hud.com and my phone number at work is 217-444-3101.

Hope to see all of you at the Picnic.

MANAGEMENT REPORT
by Chuck McFarlin #47910

My Fellow Senators, how are you doing? I can't believe how fast this year has gone by. I have had a great time serving you as your Management VP. I want to thank all the chairman who made this year a success, you all worked hard as you always do.

The last G.A. of the year and TOYP awards were great. Mary Ann #64615 and Greg #43305 Hilleary you did a great job, I do want to thank you for that. JoAnn Smith #51107 and John Gill #49450 you did a great job with TOYP, Monty Schroeder #62203 thank you for doing such a good job on Hospitality this year, Tom Greathouse #60003 thank you for doing ONTO, Val Koble #13921 thanks for running the IL/MO Basketball Game.

The Senate Picnic will be coming up before you know it. This year it will be in Kewanee IL. Your chairman will be Terry Barker #40979 and Chris Curtis #21307. I know they will do a great job and you will have a good time there.

CHAPLAIN REPORT
by Jerry Smith #36183

As we approach the end of another Senate year, let us take pause and reflect on the many roads we have traveled, the new friends we have made and of course the continuation of old friendships made throughout this great land. We also remember those Senators and family members who have gone on to their eternal reward. They will be missed but we take comfort in knowing that this journey is but a brief stop on our way to eternal life. I saw a great card last weekend that read, " life is good, but eternal life is better".

As your chaplain, I would be remiss in my duties if I did not encourage you to think about the next life once in a while. Rumor has it, it's a whole lot better than this one.

Thanks for letting me serve the organization and Our Lord as your chaplain this year. It was an honor. I will try to scam some memorial candles at the National convention and we will honor our Fallen Senators at the picnic in Kewanee. Hope to see you there.

Keep Beverly in your prayers as she continues her recovery. And to all the sick or distressed, our prayers are with you, too.

ON-TO
by Tom Greathouse #60003

Fellow Senators, since we last met Illinois Senators have been traveling. In June, Illinois Senators attended the Bubba Bash where they cooked, played golf and had a few drinks. Next they attended the National Convention in St. Charles, Missouri where they again played golf, had some more drinks and some even attended meetings. In July, they attended the Ohio Pig Roast where they again played golf, had a few more drinks and ate some pig. At all of these events, the Senators had a good time visiting with old friends and making a few new friends. See you at the Picnic.

TREASURER'S COMMENTS

by Larry Ferguson #45060

Another year is rapidly coming to a close. I would like to thank you for allowing me the opportunity to serve you as treasurer for the Illinois JCI Senate the last three years. They tell me that I will get the cover page next year. Being treasurer is an enlightening experience as most things go through somehow via the office of treasurer.

I would like to give one final round of thanks to my chairman who were in charge of raising the funds for the Senate. Without them, the president would not have any money to spend. Denny Birt #37116 and all the concession workers at the Illini Football games, just think, only seven games next year. Karen Helms #57838 and everyone who donated and/or placed winning bids in the Silent Auction. Next years will again be at the January GA in Decatur. It's never too early to be looking for items to be donated for the auction. Kate Patterson #52517 and those who sold tickets or maybe even bought some for the Senate Lotto Raffle. I finally sold a winner. This is a great fund raiser. We just need more people to sell. Maybe we can come up with some incentives to sell for the next raffle. Bill Willett #17398 for lugging around all those pins. Seems like there is always a fire sale going on. You need some pins, just make a deal.

On to membership, we began the year with 711 members and will be closing out with 713, plus two. Not a lot of organizations can say they are going in the right direction. Of the 711, we have 639 paid life members, 4 on a life payment plan, 64 annual dues paying members, with 6 owing for last year and will be on double secret dues probation. For those that are annual members, when you get your dues statement shortly here, please consider becoming a Life Member in the Illinois JCI Senate. It sure does help the treasurer out and might even save you a few bucks in the long run. You even get a new name badge.

I guess that's about it from this old money bag and it's time to hand the purse strings over to Greg Hilleary #43305 for who knows how long. It's been fun and I am looking forward to even more fun next year.

See you in July at the Kewanee Hog Capital Hoedown a./k/a Senate Picnic

EDITOR'S NOTEBOOK

by Charlie Gouveia #18294

At the upcoming picnic in Kewanee, the Illinois Senate will wrap up it's 39th year, and begin an historic 40th. In 1966, those who founded our group could only hope that their fledgling organization would endure for 40 years, let alone be the largest state Senate group in the USJCI Senate, an organization which was not to be formed for six more years. To all of those involved in the establishment of this organization who may read the FORUM, our thanks for your foresight. To those of us who have the good fortune to benefit from that foresight, it is our responsibility to continue to nurture and grow our organization in order to assure that our various purposes are carried out, and that the opportunity is available to others for another forty years and more.

The 2006 - 2007 Senate year marks the beginning of my 16th year as Editor of FORUM, and while we have always striven over those years to present a superior informational package to you, the Illinois Senate, It is my belief that the current FORUM represents the best effort and quality to date. The bulk of the credit for the high quality of FORUM goes to two Senators, Mel Urbanowicz #55459, CoEditor, and chief organizer of content and Steve Kesegi #53934, Publisher, designer, and knower of all things printed, my sincere thanks to them for the outstanding job that they do. Of course, those of you who faithfully submit material for publication, our webmaster Doug Skrinski, who keeps FORUM Online going (illinoisjcsenate.org) and that tireless digger of dirt, Linc, are all invaluable parts of the package that makes FORUM what it is. We have been improving for 40 years, why stop now? We welcome your suggestions and comments on ways that we can make FORUM better for you. Deadline for the fall issue of FORUM is September 10, 2006.

Thanks for visiting us, Vicky and Doug Dempsey of the Ohio Senate. Doug is retiring Chair of the USJCI Senate Future Directions Committee, Vicky is Return the Favor Chair, and candidate for USJCI Senate Treasurer. Get well soon Ed Townsend #19490 after lung surgery.

Congratulations are in order: for Low Senate number at GA Val Koble #13921; High Senate number Patty Butler #65322; 50/50 winner Kevin Ankenbrand ; Operation DD & JDO for having more DD's at training than there were Local Presidents; Both Foundation Scholarship winners, for winning USJCI Senate Foundation Scholarships as well; John Egan #691 of Lombard on his induction into the Illinois Jaycees Hall of Fame; Jerry Jouett for donating five sets of Cardinal tickets to Camp New Hope to raffle; and all of the 2006 TOYP winners.

MAY GA

by Mary Ann Hilleary #64515

Well, another May GA is done! Considering it was put back together in only two weeks after the fire, it ran pretty smoothly. Huge THANKS to Queen Donna #53588 for stepping in to do registrations, and of course to President Jack #53585 for his great support and running manpower; thanks to Mark Niedenthal #39701 for taking care of the tickets and Tom Greathouse #60003 for taking care of the placard's. Thanks to the ticket takers at the Mixer, Lunch, Presidential Cocktail Party and the Banquet. In general, THANK YOU for everyone's support – mental, emotional and/or financial. Senators are the Greatest!

THE HEARTLAND HONEYDIPPER

by Linc

What a strange aura (smell?) hung over the Spring GA in Decatur. To begin with, it was held at hotel "Who Knows What

It's Name Is", which was populated with Rotarians and prom goers rubbing shoulders with the usual assortment of characters that seem to turn up at these Jaycee / Senate meetings. Someone probably should have warned those outsiders how dangerous it was to do that sort of thing. Friday night presented a challenge to a number of our group, but perhaps more so to those who took on the challenge and lost!

A few observations on the weekend are in order, to wit: Denny B. had no idea that Wayne frisked him for his key, video at eleven! Contrary to popular belief, Kate claimed that she didn't bury Bill in the backyard. Brian inquired if this Cardinals group is major league baseball, but admitted that his team just had a bad century. It was reported, however, that the Cubs did have a batting practice where the batting machine threw a no hitter. Hiatt was not in attendance, he was doing something historic, attending his daughter's 50th birthday party. Bill W. wants everyone to spend more on pins so that we will have more money. Kate was told by President Jack that she has to keep chairing the lotto project until someone else volunteers. Denny B. while getting lost in his own notes, recognized that he had met Linda F. on Friday night. Rosey Joe's in the hospitality room on Friday night, what was that? Pitt has been skipping Norm for 50 years, he did it again. Ask Denny D. about how to install a TP holder.

Quote of the weekend #1: "I am not a Catholic, but I know how to run bingo!" - Doug Dempsey.

Quote of the weekend #2: "There is not enough alcohol in this world to get me to say Tommy Greathouse is cute!" - Denny B.

There is really nothing more to say, except to be careful where you step, Linc is watching.

by JDO #35308

All of the DD's were at the May GA and at training or competing in a competition. Outstanding.

They were addressed regarding promoting projects and by President Tony and President Jack regarding their responsibilities. It was the best training so far this year.

The group is starting to come around to growing the organization and working with their chapters to help them achieve their goals. They have identified some towns to work on extending and some chapters that need assistance with books, competitions, and finances.

They have made challenges with President Tony and are working hard to succeed.

SILENT AUCTION

Karen Helms #57838

The TOYP/GA week-end was Wonderful! It just proves what everyone says, we are a team that can do anything. At the Senate meeting I tried to thank everyone for all of the help they gave me for the Silent Auction. I named a few people and I am very sorry I could not name everyone. But, all of you that helped and I did not name please forgive me and know I am grateful to all of you. However, I did not mention one name that should have been on the top of the list at the get go. Without her help in e-mails and her forms the Silent Auction would probably not have happened at all. Mary Ann Hilleary you are my angel and I love you. Thank you for helping make me the best chairman I could have been. I look forward to seeing some of you at the summer GA and the Hall-of-Fame dedication. If you can't make it to that I look forward to seeing you at the picnic. Have fun, be careful and stay cool.

CHAIRMAN OF THE BOARD

by Norm Hoffman #25676

I just want to remind everyone being Chairman of the Board has been a great experience. Being able to support and help President Jack was an easy task. I probably was in his way more than I could help. We found out Jack was able to trip over things without our help. I'm glad to see "Old Iron Boot" on the road to recovery. He should be playing flag football by the time the picnic gets here. "Old Iron Boot" limped in to see his doctor, and said my foot is getting better but I think I need glasses! The Bank Teller said "you certainly do, this is a bank!"

In April I stayed busy still returning the favor by helping the NW Region back on their feet. The NW Region Meeting was mainly devoted to training which was ideal for them. I'm very happy to report the NW is doing fine. I want to thank all the Senators for their help at the Spring GA, it was a busy week-end but everyone pitched in to make it a success as usual. Greg & Mary Ann, I just want to say you're the best! Jack & Donna Ward the Senate is fortunate to have you both as our leaders this year. The GA would have been in deep trouble if you four had not stepped up and shown the way.

Special thanks to Doug & Vicky Dempsey from Ohio for coming to Illinois and having the opportunity to see our TOYP event. I also want to express my congratulations to John Egan #691 for being inducted into the Illinois Jaycee Hall of Fame. Let me not forget Sheila Lew #66150, for her gracious help stepping up and being hostess to John Egan and family during the GA. I'm signing off on my final article as Chairman of the Board. Good Luck Larry, I have no doubt that you will lead the Illinois JCI Senate into a great year.

IN-COMING PRESIDENT

by Larry Ferguson, 40th President of the Illinois JCI Senate

I would like to thank you for electing me the 40th President of the second greatest young person's organization. We are all still young at heart. We enjoy a little hard work, just a little. Some good partying when we are done. But most of all we enjoy the love for the Jaycees and the gift of our Senatorship along with the fellowship and hospitality of our fellow Senators.

We will kick off our Race to Success by dropping the green flag at the Senate Picnic in Kewanee 20 for a 372 day race. If all goes right, we will throw the checkers next year in Carlyle. Along the way we will have pit stops in Lisle, twice in Decatur. There also will be stops in Kentucky, Ohio, Michigan, three in Indiana, Arizona and Maryland. What a ride it is going to be.

I have got an impressive pit crew to work with. Thanks to those that have stepped up to volunteer to be your leaders this year. We are revving our engines and are ready to go.

A few of the goals that I have for the year are continuing the Operation DD program. What a turnaround in the number of District Directors for the Illinois Jaycees. Maybe someday we can say that all chapters have a DD and are being serviced. Another program is the Return the Favor. I know that Senators are out there helping the Jaycees. We just need to know who they are, what they have been doing so that we can report to USJCI that the Senate is doing their thing here in Illinois. As we all know, membership is a key to any organization. I don't think I would be asking to much if we could get one new member from each region in the state. They could be a member who dropped for some reason or just never joined the Illinois JCI Senate at the time of their award. Here is a list of Senators, one from each region that I have targeted out of a large number on our inactive list. Some I know, some I heard of during my Jaycee years, some were members of the Senate at one time. Who will be the first one to recruit one of them? YOU! Ken Bald #28805 - Mississippi Valley, Sheryl Dauphin #45311 - River Valley, Todd Dixon #58290 -South John Egan #691 - Northeast, Roger Fouts #23780 - Southeast, James Kater #36929 - Prairieland Matt Miller #57488 - Northwest, Karen Porth #63611 - East, Marian Rutledge #62823 - South Central Sherri Sczrypaniak #60007 - North, Scott Voyles #56956 - Gateway, Gerald Zopp #32297 - Fox Valley

With all this said, let's go "Racing to Success".

TOYP

by JoAnn Smith #51107

Thank you Illinois JCI Senate.

Once again we conducted an outstanding TOYP program for our Return the Favor to the Illinois Jaycees.

Val Bolinger once again worked magic with the video program. Steve Kesegi once again did an outstanding job with the program book. The program could not run so smoothly without their help. They both worked miracles in order to create the best video program and ad booklet to date.

I would like to thank John Gill, for his steady guidance help to make sure that the program would go.

I would also like to thank Jack Ward for once again being the treasurer for TOYP, Gary Pittenger for making sure that the program has sponsorships. I would also like to thank, Jennifer Gill (John's wife) and Jerry Smith (my husband) for their understanding and patience for our devotion to the program.

Kevin Ankenbrand thanks for being available to help.

Thank you to Wendy L. Copeland and Karen Blanck for the wonderful gift baskets that were given to our nominees.

I also would like to thank all the Senators who stepped up to help when they saw a need, from pinning flowers, to calming my nerves and making me laugh. I love you all. The program was a success because of each of you and your love for the organization.

We had about 30 people working on this project in one way or another, from selling ads to pinning flowers. I cannot count the man-hours, but I know that a lot of us put in hours a week for weeks on end. Now that the program is over, I can say, that I know that I put in a lot of hours, but it was worth every hour. The nominees each thanked us for the honor. I know that I will remember this TOYP program as one of the best.

Thank you to the judges, the hosts, the flower girls, the nerve calmers, the support givers and to all the Illinois Jaycees and Illinois JCI Senators. You are all truly awesome.

CAESARS LEGION

by Norm Hoffman #25676

The Northern Illinois Senate Club better known as "Caesars Legion" met on April 27th at the "Huddle" in Belvidere. Meeting led by Jim Kotche, answered and solved all of the problems in the world except one. No one had a solution for Jim Coffey! Bob Thorsen, Jim Dennis, Chuck Fries, Maxine Wallisch, Bob Canfield were a few in attendance.

The next meeting will be on July 27th at Lake Carroll. Golf T-Time 1:00 PM, Boat Ride at 5:00 PM, Cocktails at 6:30 PM & Dinner at 7:30 PM. The Quad City Alumni Club plans to attend so it should be a great time. If you are interested in attending you sure are welcome. Give me a call at 815-493-6226.

Wisdom of Bob Canfield, "If at first you do not succeed, destroy all evidence that you tried." Good night "Dolly" wherever you are!

ILLINI CONCESSIONS
by Denny Birt #37116

It is time to start thinking about Illini Football Concessions for 2006.

There 7 home Games this year.

September 2nd, 16th and 23rd
October 7th and 14th
November 4th and 11th

Notice we will be done in early November. Hopefully the weather will co-operate and not turn too cold.

I am not asking that everyone volunteer every week-end, however, if everyone would work 1 week-end out of the season, this could work out to be another successful year for the concessions project. You may want to get with Senators in your region, to pick a date & work together.

I will make a formal report at the picnic.
