PRESIDENT'S MESSAGE

by Chuck McFarlin #47910

How are you doing? I do hope you had a great summer I know I did. I have had the opportunity to go out and visit a few other region 5 state organizations representing the Illinois JCI Senate. I know it was a tough job but someone had to do it.

I would like to let you know who the other Region 5 State Presidents are this year. Indiana, Amy Barber #60115, Kentucky, Cyndi Thornburg Schnell #61668, Michigan, Don McDurmon #59099 & Ohio, Patty Robinson #63889 and we are being lead by our very own Bev Olson #42472, Region V VP. I know we will have a great year and I look forward to working with the other presidents.

Starting out on July 14th & 15 we worked the hospitality village at the Chicagoland Speedway. Chairman Norm Hoffman #25676 did an excellent job of getting a lot of us out there. This is a great opportunity for the Illinois JCI Senate as a way to raise funds.

The weekend of July 20th, 21st we went out to Van Wert Ohio for their Pig Roast. Yes I did have to kiss the pig. The Ohio JCI Senate did a great job on this project and all that came had a great time. I would list the names of all the Illinois Senators who were there but I am sure I would miss at least one person so I won't even try.

July 27th, 28th we had our Picnic in Carlyle Illinois. I want to thank Chairman Ray Ainslie #44136 and his committee for doing such a good job on this project. I know that everyone had a great time. I was happy to have the other Region 5 presidents at the picnic. We also had USJCI President Jumper Davis #38376 and his charming and beautiful wife Hilda attend the event. We even had an opportunity to take them to the Blue Room.

August 3rd 4th & 5th we were off to Kentucky for their Bourbon Bash. The Kentucky Senate did a great job on this. I can say for sure we all had a good time. We had the opportunity to go on a tour of the Makers Mark Bourbon distillery the only thing I did not like about the tour was that we could not sample the product but they did give us a taste of some pretty good chocolate Bourbon balls.

August 10th, 11th, & 12th we did some training for the Illinois Jaycees. Illinois Jaycees President Denise Lenz asked that the Senate come in and teach some ID type programs at the GA. I want to thank Chairman Norm Hoffman for putting together such a good team of trainers for this program. I was told that all the ID programs went over really well. I would hope that we can continue to helping out with things like this.

The Illinois Jaycees also celebrated their 75th anniversary that weekend and we had a small hospitality room to let the presidents that could make it in a place to sit and talk. This was a lot of fun.

Then on Aug 18th some of us had the opportunity to go to the Wedding of John Voshel from Michigan & Karen Kopp from Kentucky (yes they are both Senators). The wedding was in Indiana. On behalf of the Illinois Senate I want to congratulate them.

August 25th we went to Michigan for their Golf outing. No I did not golf but this was still a lot of fun. They did an outstanding job on the project and we had a good time. This was a fun weekend and I want to thank Millie and Ron Tyszkiewicz #20553 for allowing us to stay at their house for this event.

ADMINISTRATIVE REPORT

by Stephanie Pittenger #59999

I would like to take a moment to tie up some loose ends as your 2006-2007 Secretary before I get down to the business of Administrative Vice President. I want to first and foremost thank President Larry Ferguson for the opportunity to have served on the board. It was a privilege to have been a part of his administration and it was a delight to have served with the rest of the board. We had a lot of fun and we have a great deal to be proud of in the accomplishments we reached. My success would not have been possible without the chairmen that served in my area, so at this time I would like to take this opportunity to thank Charlie Gouveia, Mel Urbanowicz and Steve Kesegi for their outstanding team effort on our award-winning newsletter. I also want to thank Larry Ferguson for his hard work on the website; he made great strides in making the site user friendly. So to everyone, thanks for the great times we had "Racing for Success."

Now it is down to the business at hand and putting our best foot forward in "Bridging the Gap". Let me start with a thank you for the opportunity to serve as this year's Administrative Vice President. I am looking forward to working with President Chuck McFarlin and the entire board. I think we have some positive prospects in the administrative area for assisting Chuck to another Illinois successful year. I have some outstanding chairmen that I am looking forward to working with and I would like to introduce them to you so that you will be familiar with who they are and what committee they are chairing:

Linda Feldt #66152 - Return the Favor
 Patty Butler #65322 - Camp New Hope
 Gary Pittenger #24804 - Golf - Larry Olsen/Bubba Bash

Todd Oliver #58381 - Freshmen Senators
 Rose Rieke #62414 - Organ Donor
 Dick Hiatt #7811 - Historian

Please feel free to contact any of the chairmen to volunteer to assist in any of those areas. We look forward to serving you. As the Administrative Vice President I feel part of my job in assisting Chuck is to not only work with my chairmen, but to step forward with what we feel are administrative concerns, ideas and suggestions for assisting in keeping this organization moving forward in a positive manner. At this time I would like to bring to your attention an opportunity for getting involved as a standing chairman. I hope you will take a moment to consider the opportunity and step forward to serve in this capacity. We have a Hospitality chairman whom has done such an outstanding job that it seems we have no one that wants to attempt to fill his shoes. Monty Schroeder has done an outstanding job serving as our Hospitality chairman for several years now, but he would like to consider the opportunity to serve in another capacity with this organization next year. Chuck, Kate and I understand Monty's desire and would like to start looking now for someone who could be ready to take that position a year from now. Please take the time to consider the challenge of this opportunity. We would even encourage a couple of you to consider working as a team (Co-Chairmen) for Hospitality. It would be greatly appreciated if you would give this serious consideration and let us know as soon as possible. Otherwise we will be looking for you and asking you to consider the opportunity. Our goal is to have that person or persons on board by midyear so they have at least two meetings to work with Monty so you learn from one of the best and continue the tradition of excellent hospitality.

Please feel free to contact me any time with questions, concerns, ideas, or even just to say "Hello." I can be reached by email, home phone, or my cell phone most any time. It's going to be a great year and I look forward to the fun. See you in November if not sooner.

MANAGEMENT REPORT

by Kate Patterson #52517

Summer just seems to rush by and it is Fall already. Travels to Ohio, Indiana, and Michigan were enjoyed by all whom attended. A great time was had by those who traveled to Illinois. Thank you to Ray and Melodie Ainslie, Wayne Kiefer, and Committee for a fantastic picnic. Southern hospitality was superb as always. Thank you to Denny DeGroot, Don Falls, Wayne Kiefer, and Committee for hosting the Fall US JCI Board of Directors meeting. The help from Senators throughout Illinois was greatly appreciated. It took everyone's hard work to make this a successful event. Thank you to Val Koble for keeping up the Illini events.

The Illinois Jaycees greatly appreciated the opportunities provided by the Leadership Academy at the Summer GA in Naperville. Thank you to Norm Hoffman and his crack team of trainers for an informative and successful event.

We are looking forward to the Fall GA and appreciate the hard work Mary Ann and Greg Hilleary have put into our state events. John Gill is currently collecting TOYP forms. Please help your local chapters get a submission in by November 30, 2007. TOYP 2008 should be a great event. It is inspiring to learn about each and every candidate and their wonderful achievements.

Finally, thank you for giving me the opportunity to serve as Management Vice President. I am looking forward to a fun and successful year.

An article would not be complete without one more THANK YOU to Monty Schroeder. It is the wonderful hospitality in Illinois that continues to bring us together.

Have a safe and prosperous holiday season!

CHAPLAIN

by Wendy L. Copeland #58825

Hello fellow Illinois Senators! As chaplain for 2007-2008, I am asking for your assistance. Please help me share the caring and compassion of the members of our organization. As chaplain, I would appreciate being made aware of life events, both those of blessing and of grief, so I can acknowledge the events.

In the past couple months, we have had several losses. Our thoughts and prayers go out to our fellow Senators as well as their families.

We share our sympathy with Sid #46004 and Mona #52737 LeGrand and their family on the passing of Sid's mother in August. Our sympathy also goes to Jim #37122 and Cindy Mammen and their family on the passing of Cindy's mother in September.

Please take a moment to remember William Ryder, JCI #24158, who passed away in August. Our sympathy to his family.

May the Lord bless and keep you. May God's countenance shine upon you and be gracious unto you. May God grant you peace. Amen.

TREASURER'S COMMENTS

by Greg Hilleary #43305

The National Fall Board meeting in Springfield got off to a great start on Thursday, September 13th with a great dinner meal. Mary Ann and I were able to assist serving the meal that night. We also enjoyed helping on Friday morning with the golf outing before we had to head back to Danville for Marching Band obligations. We enjoyed seeing all of you that were there.

The good news on the home building scene is that it is finally done. The goal of moving in late April or early May then June, July and August finally came to fruition on September 17, 2007. It has been a long year plus since the fire, but it was really nice being in the house last night. Mary Ann and Ross are planning a Senate open house soon, more details to come.

On to membership, we began the year in July with 724 and we grew by one for the first quarter to 725. We have had nine new life members this quarter bringing us to a total of 662. We have six members on the payment plan for life memberships. We billed the annual dues paying members back in July 2007, and still have 24 of the 63 who have not paid their dues as of this writing.

The Fall Board Meeting will be on November 9 - 11, 2007 in conjunction with the Illinois Jaycees and will be located at the St. Louis Airport Marriott, 10700 Pear Tree Lane, St. Louis, MO 63134. **PLEASE NOTE THAT THE ROOM DEPOSIT IS \$100.** You may send your registration to my home address at 3158 East Main Street, Danville, IL 61834.

If you need to get in touch with me my email address is ghilleary@hacd-hud.com and my phone number at work is 217-444-3101.

Hope to see all of you in St. Louis!

EDITOR'S NOTEBOOK

by Charlie Gouveia #18294

For the first time in many years, the Illinois Senate hosted a US Senate Board Meeting, and it was a resounding success! Denny D., Don Falls, Monte Schroeder and Wayne Kiefer along with all those Illinois Senators who pitched in to help deserve a big Hooray for a great job done.

Thanks for a great job also should go out to Ray and Melodie Ainslie for another great Picnic in the South, the Summer Marti Gras was great. It was good to see USJCI President Jumper Davis and Hilda from Texas, Region VI VP Newt Standridge of Iowa, our own Region V VP Bev Olson and all five Region V State Presidents in attendance.

Picnic Stats: For your information, there were 111 persons at Bar Burgers, with \$260 raised for the Olson golf tourney, over 85 at the business meeting and 130 at dinner. More FYI: the USJCI Senate finished the 2006-07 year with 8125 members, the ILJCI Senate had 747 of those.

REGION V - VICE PRESIDENT REPORT

by Bev Olson #42473

Words cannot describe how great the Fall Board Meeting was Sept. 13-16. Chairman Denny DeGroot had the best food ever served at a meeting, and had plenty of sight seeing tours lined up for everyone. People were really surprised there was so much to see in Springfield. This was the only meeting I can remember that all the manpower was handled by the host state; thank you to all who worked. You made us proud.

A big thanks also to Wayne Kiefer for setting up the manpower. Don Falls and Kay DeGroot kept us going, and food guru Monty Schroeder kept the food looking good. We also had a fun time Saturday night with the Region V presidents running the bar: our own Chuck McFarlin, Amy Barber from Indiana, Cyndi Thornberg Schnell from Kentucky, Don McDurmon from Michigan, Pat Robinson from Ohio and our special spouses Keith Schnell and JDO. As Don wrote in his email report, it was like putting the fox in charge of the hen house.

I look forward to seeing everyone in St. Louis at our next meeting.

DEADLINE FOR FORUM ARTICLES, DECEMBER 1, 2007

THE HEARTLAND HONEYDIPPER

by Linc

The long hot summer is finally over, and our "Bridging the Gap" Administration has managed to get through the first quarter

including Picnic, the Jaycee summer meeting, the Olson, and US Senate Board in fairly good shape, considering. I am sure that Linc will have a great deal of cleaning up to do in the ensuing months, but for now, a look back to Picnic '07 is in order.

All in the Family: JDO turned the money collected from Bar Burgers to Bev; Bev thanked Donna for last year's stand in, but was glad to be there this year; JDO needs to face the crowd when speaking (he just needs a little more experience, perhaps a Mark Wiley public speaking course would help!); the meeting began when Jack Ward lost his place in the Past President's list; after the usual startup confusion, Chuck skipped Mammen's report, but he gave one anyway: "\$35K in the Life Account!" (that's the long version too!); Chuck's budget is \$500 more than last year (perhaps due to gas for beano); poor Norm had to hand write thankyou's to Bill W. and Father Fred since they don't have computers (what comes around...); Levi Racing was impressed with the Senate's help, and want to know if we have any more Jim Mammen's (a voice from the crowd suggested that Levi could have the one we have); perhaps the same voice suggested that if the Illini want to promote their football games, they should emphasize that the stadium is a smoking venue; Bill W. pointed out that he was a "little short"; it was noted that Gary and Jeff impacted the vodka supply in the hospitality room on Friday night; it should also be noted that the meeting was done on time, and that Norm was not in attendance; it was announced that the Picnic Golf Outing handicap system was designed to screw Pitt; it was noted that anyone who is interested in history should contact Dick Hiatt, he is 75, and should be able to help; Notice: Mary Ann Hilleary is duly designated as the GA Goddess. This is a promotion from her former title as GA Queen; in Bail out news, the Decatur Hotel and Convention Center (previously the Holiday Inn) went into receivership, but was bought by the City of Decatur, that should save the Spring GA/ TOYP for now; to coordinate with the Picnic' Marti Gras theme, Ed Hart demonstrated what is meant by "flashing"; Ray played Don's part. (lost weight, gained height, and lightened up); Don thought he should also sing "Me and my Shadow"; according to the serving aprons at the USJCI Board Meeting, Mark was really Norm, and we had Mary Ann Hilleary and Denny Birt assisting.

And Ray thanked Melodie for putting up with his crabby ass; Tiny resembled a Amish farmer; and check out the cover of September National Geographic, is Chuck moonlighting, or does he have a body double? (a lot of celebrities do that you know).

Now that Linc has that stuff cleaned up, it's on to Fall and beyond, be careful where you step, as ever, Linc's watching!

Notice The Senate Room at the Service Center is in need of 8x10 pictures of the following Past Presidents: Ray Ainslie, Mark Niedenthal, Jack Ward and Larry Ferguson

BAR BURGER REPORT

JDO #35308

The summer picnic in Carlyle this year produced the most people to attend Bar Burgers in history. 111 people went to The Legion in Carlyle for a great meal. There were people from 8 states in attendance with President Jumper and First Lady Hilda leading the way. They even had their picture taken with the local swamp deer. We collected money for the Foundation and a record \$264 was collected for the scholarship funds. Thank you for your continued support of this "project".

The food was good and the service excellent led by chairman Ray and beautiful spouse Melodie. The usual prizes were presented and President Chuck had special presentations for all the Region Five presidents in attendance.

Prior to The Legion a hearty contingent attended the now famous Blue Room in New Minden. It was a little disappointing to see that some major remodeling has been done but the ambience has not changed. First Lady Hilda tried to shoot the loop but was unsuccessful. Still the moment will remain forever.

We look forward to seeing others next year at the picnic and sharing the mood.

CAMP NEW HOPE

by Joe Butler #37683

Many thanks to everyone who supported the Camp New Hope Cardinal baseball ticket fund raiser. With your help, \$1600 was raised for the Camp.

If you are interested in taking a tour of the Camp, just give me a call, and we will set it up for you. In case you had not heard, last month there was a fire at the Camp that severely damaged the Hope Center building ceiling. Renovations are being made and the building should be opened soon. Luckily, most of the damage was contained in the ceiling area. Because this is the building that houses the large kitchen, special provisions have been taken to accommodate Respite weekend campers and the Head Start program. The facility should be back to normal soon.

7. Levy Restaurants were very impressed with our organization. They want to know if we have anymore Jim Mammen's?

8. A special thank-you to all of the Senators who opened their homes so Senators would have a place to stay closer to the raceway, since the reporting time was 5:00 am.

HISTORIAN

by Dick Hiatt #7811

Jim O'Connell and I traveled to Annapolis for the 35th reunion of the US JCI Senate in June. We attended the luncheon on Tuesday where we were honored as two of the original Senators from Illinois that started the US Senate in 1972. Both Jim and I were happy with the way John Price and his committee handled the reunion. Also at the luncheon were several Senators from Illinois, Chuck Fries, Denny DeGroot, John and Bev Olson, Norm Hoffman, Chuck McFarlin, Larry Ferguson, and others.

WHERE ARE THEY NOW? I contacted a Senator from Taylorville, Jim Madair who now lives in Converse Louisiana. Jim said he was very happy to hear from the Senate and hoped we continued our Jaycee careers. He has been working as a industrial supervisor in a chemical plant. His Senate # 13377. Anyone who would remember Jim let me know. He was a vice president under my year as president, 1972.

We had the opportunity to host the USJCI Senate Fall Board Meeting in Springfield. I want to thank Chairman Denny DeGroot #40222 and his committee for doing such a great job. I heard from other Senators throughout the weekend on how much fun they were having. I know I had a lot of fun working it and just meeting with other Senators from throughout the country. If you have never been to a USJCI board meeting I would like to invite you to go. The next one will be in Daytona Beach Florida Jan 24th - 27th 2008.

We are now working the concession stand at the Illini Football games in Champaign. Chairman Denny needs our help I am sure he will have something in this news letter. Please help if you can.

I have to thank Bev #42472 & John Olson #35308 for letting me ride to almost all the meetings so far this year. It was a big help to me.

Our next meeting will be at the Fall GA in St. Louis MO November 9th, 10th & 11th I hope to see you there. I think I have rambled long enough so until I see you again take care.

FRESHMAN SENATORS

by Todd Oliver #58381

Illinois Jaycee Senators I look forward to working with the Senate program this year and the Freshman Senators. If you are a Freshman Senator or have not been to a freshman orientation please come to the GA's. We will have an informative session on the Senate program and you will also have an opportunity to get some questions answered about the Illinois Senate and find out more of the exciting things we all do.

Have you ever read the US JCI Senate newsletter, The Mentors? Do you know what Return the Favor is? Have you heard people talking about Senate Hospitality or Bar Burgers? If you answered no to any of these then come to a Freshman Senate Orientation. We can hook you up to travel and see other Senate events or if you just want to stay in your state we can tell you about events going on right here where the Senators could use your help.

If you have any ideas or questions which you would like brought up please let either your Senate Region Director or myself know.
