## PRESIDENT'S MESSAGE

By Gary Hongsermeier #39708

**I** would like to thank the Illinois Senate for allowing me to serve as President this year. I look forward to working with all of you and also in leading the biggest and best Senate state in America.

Congratulations to President Steph on her great year. She and several members and projects were recognized in Atlanta for their hard work last year. While Atlanta was hot, Illinois enjoyed themselves eating, socializing, golfing, and attending

meetings and training.

This has been a very busy summer in Illinois. Illinois provided manpower to Levy Restaurants for the races at the Chicagoland Speedway. This great project will be our major fundraiser for the year. I would personally like to thank all who worked, opened their homes, and supported this project. While I am sure you were tired the sense of accomplishment had to be great.

Wayne Kiefer chaired the Bubba Golf Outing this year for the Illinois Jaycee Charitable Foundation with record participation and record heat. The food was good, stories of golfers were great, and thanks to all whom worked the event. We raised money to sponsor the Colbert Memorial Scholarships

Travel is a big part of the summer. We attended the Ohio Pig Roast and they did their usual great job. It isn't that bad kissing a pig. You just want to do it early. Their hospitality is great. Kentucky hosted their Bourbon Bash and attendance increases each year. The location is perfect and the food is excellent. And then it was off to Michigan for their Golf Outing. We enjoyed this. Obviously I am not a golfer and I can still laugh at those who think it is fun to chase a little white ball through all those pretty fields.

Charlie Meier and his committee did a great job with our picnic which was attended by 131. The Original Springs provided great hospitality, super food, excellent massages, and the chance to share stories with our Illinois family as well as our national officers and out-of-state guests. The civil war fort tour was well attended, the Blue Room provided great hospitality, putt - putt golf was enjoyed, and regular golf was experienced by many on Friday and Saturday. The Addieville Community Center was the site for Bar Burgers for 101 and then for our business meeting. And then we were back to the hotel for a great meal of pork and chicken. Thanks Charlie and committee for all your hard work in planning and making this a great weekend.

We met with the Jaycees in September for their elections. Congratulations to those who ran and who will lead the Jaycees for the coming year. We also participated in the Olsen golf outing which raises money for the Jaycee Foundation scholarships. Please be aware of the upcoming deadlines for all our scholarships.

We will have our Fall Frolic the first week in November in Springfield. Call Don Falls with any questions. See the registration form in the FORUM and send it in now. Those who have earned ribbons for working the races and football please make sure to clearly mark this on your form when sending it in so we can make sure to have an accurate count.

Denny Birt is again chairing the Illini football concessions. We can use 14 workers for each game. Bring a group from your area to help out. There is hospitality before and after the game so you will not go home hungry.

# ADMINISTRATIVE REPORT

by Monty Schroeder #62203

Greeting Illinois Senate Family, it is hard to believe the summer is coming to an end but not with out some good memories. First of all I want to thank Charlie Meier #42803 and his crew for a super Picnic at The Original Springs Hotel in Okawville, IL and for the tour of the fort that was awesome. Then off to the Kentucky Bourbon Bash where the bourbon slush went down so good. Sorry MaryAnn, I didn't leave some for you on Friday night. The rest of the summer was busy doing Return the Favor things for the local chapters.

Speaking of Return the Favor, Marsha Devore #67330 is off to a great start with this program. Please remember to send her information on any assistance you have offered the Jaycees. Herman Schwantz #58555 will be working with our Freshman Senators. We are looking forward to welcoming our new members to the Senate Family.

Patty Butler #65322 will continue to work with Camp New Hope. She always does an excellent job. Maureen Butler #67669 is heading up the Organ Donor program. She has a lot of things up her sleeve for this program.

Dick Hiatt #7811 is our experienced Historian. It is always interesting to learn new facts about the Senate history. At this time I would like to Thank You all, for the cards received and the support during the picnic due to the loss of my father. I especially like to thank the Danville Senators for being there the whole time for me. Some of the out of town Senators stayed extra days to be there. And a big Thank You goes out to Mark Niedenthal # 39701 and to Mark Wiley #39704 for the get together after the visitation with all of the Danville Senate Family. At times like these, you know the Illinois Senate is your Family.

### (President's Message - Continued from Page 1)

The Illini took it on the chin in football and Val Koble knows that basketball December 22 will be a different story. If you want tickets, which are getting harder and harder to secure, please let Val know now so he can do his best to secure these for you.

Pittsburgh was a great setting for the Fall BOD meeting. With the G20 in town, security was tight all over town but we still managed to enjoy the town and visiting with our friends from across America. And we will be going to Florida for the Winter BOD in January. If you want to get away from the cold plan to come down and enjoy the warmth.

I look forward to working with you this year and helping to keep Illinois strong and the biggest Senate state in America.

by Todd Oliver #58381 • 217-585-1203 • Toliver34@comcast.net

Since this is my first article as Management VP, I want to say thanks to Sara Schwantz #65361 and JDO #35308 for their nomination and second.

What a Great time we had at the 2009 Picnic with thanks going to Charlie Meier #42803 and the MV Region for all their hospitality and being our tour guides while in Okawville.

This year I have a group of excited chairman under the Management area:

**On-to** - Linda Ferguson #64547 keeping us in touch with what is going on locally, in Region V and with the US Senate.

**Spring GA** - Lori Suprenant #67040 and Maribeth Oliver #68669 chairing the May GA in Decatur.

**ILL/MO Sports** - Val Koble #13921 covering football and basketball games to be held in St. Louis. It's my understanding the Illinois Senate will be in charge of hospitality.

**IL Jaycee Charitable Foundation** - Bev Olson #42473 getting the information out about the Foundation and the many programs they are running to offer scholarships and help Jaycee chapters match funds, from the fundraisers that they are running in the chapters.

Since the Illinois Jaycee's have changed their GA's, the Illinois Senate has decided to go back and host a Fall Frolic in Springfield on November 6 and 7th at the Route 66 Motel which is located at 625 E. Saint Joseph St. in Springfield. There website is [www.rt66hotel.com](http://www.rt66hotel.com).

# TREASURER'S COMMENTS

by Greg Hilleary #43305 • ghilleary@hacd-hud.com

**W**ow, where did that summer go? It's almost time for my favorite time of the year, when all the leaves change and the fall festivals begin.

On to membership, we began the year in July with 741 and we grew by one for the first quarter to 742. Our September dues billing had 92 due, we renewed 90 added 3 new members. We have 683 life members. The following Senators are on the payment plan for life memberships; Sandra Harpstrite #65882, Gary Johnson #55388, Mike Lake #28420, and Lori Brockmeyer #65854.

We sent out the annual dues billings in June since all annual dues are due and payable by July 31, 2008. The following 24 Senators are past due: Donna Baker #67041, James Berounsky #40806, Darrin Brewster #68672, Jon Carls #39289, Jay Cozza #54349, Keith Dailey #65853, Sue Ann DelVicario #68109, Vik Farrugia #59813, Hileria Godfrey #62127, Sharon Hall #46181, Bob Hennessy #55838, Denise Lenz #68528, Mike Malott #42895, Don McDurmon #59009, Mike McElroy #34665, Dennis Owens #67443, Richard Paradee #31303, Michelle Reis #68126, Jordan Rigney #67919, Deborah Shipp #61424, Tim Teeter #67302, Bryan Vogt #47620, Mike Wiles #62280, and Dale Wise #65351. If you know any of these senators, please contact them and remind them to send in their dues checks. If you are one of these senators, please make payment as it costs us more dollars to send out additional reminders. We will be sending out our second dues billing in early September.

The Fall Frolic will be held on November 6th and 7th, located at the Route 66 Hotel in Springfield, Illinois. REMEMBER – the room reservations need to be made through the Hotel Directly. Reservations for meals and hospitality should be directed to Don Falls.

# THE HEARTLAND HONEYDIPPER

by Linc

**S**enate Family Across Illinois, welcome to the pit where ol' Linc works tirelessly to clean up after your Officers and others. Due to events at the Picnic this year, it's been necessary to work overtime just to get caught up! Good thing that the summer has been cool, it cuts down on the stench a bit. The Picnic started with Steph introducing ILJC Pres Scott as being from Indiana. To which Scott responded "I know why you are replacing her!" Needless to say, it was all down hill from there, to wit:

Jim O'Connell won't pay; Wiley was first in line for extra burgers; Don Falls revealed that "it does rub off!"; Val can continue to promote Illini basketball as long as they keep beating Mizzou; The cheers of "four more years" for Tony S. have changed to "We want shrimp!"; Susie says that the National Pres. Doug was not lost, he was just with her.; Steph: "I hope that I don't do that!"; Chuck : "You will!"; Bill and Karen are "Celery Champions" of Lee County; Bill also says "I got a new deal for you!" to which Mark W. replies "You said the same thing 20 years ago!"; What is with that "hip" thing?; Asked of Denny B. "Why not get a male dance team to help with Illini concessions?" he replied "Because they don't move like the girls do!"; "Please take care of your liver, you never know who will use it next!"; Maureen Butler, Organ Donor Chair.; Monty asked Mark to help collect \$ for JCI raffle to cries of "NO!, Not Wiley" from the crowd ; Chuck battled with a wine cork Friday night, and lost; When USJCI Senate President Doug Meyers who swore in the Board, got to the part of the Oath concerns allowing free discussion, a request was made from the back of the room to discuss that part about "barring none to speak"! ; You know, you gotta wonder about "This is an office of dignity and importance." spoken by someone wearing a plastic crown! "What is up with Tony S.'s duct tape hatband at the ILJCC Trimester meeting?"

AND The John Price gems of the weekend: "The airport shuttle phone does not work" (I guess you go outside and yell) and "what do the Pittsburg Penguins and the Pirates have in common? Neither can play baseball." (And just why would we care?) (So the Cubs can beat someone?)

As you see, the Senate Family Across Illinois can, at times, be a bit dysfunctional. (it comes with age.) Linc will leave you this time with a point to ponder: "If you look like a golfer, can you have an overhang?"

Watch where you step, Linc is watching!

## ILLINOIS - MISSOURI BASKETBALL

## ON-TO

by Linda Ferguson #64547

I thought Larry was going to have to build an ark for a while. By the time you read this, I'm sure the US JCI Fall board meeting in Pittsburgh will be over. I'm sure everyone had a great time.

If you didn't get a chance to travel with us this summer, please try to plan on traveling to the Winter US meeting Jan 21-24 in Orlando, Florida, and/or the Region IV meeting in Columbus, Ohio March 26-28. Everyone needs to plan on traveling to the US Annual Board Meeting June 13-18 in Concord, California.

Hope to see you in my travels!

## HIATT'S HISTORY

by Dick Hiatt #7811

has paid lifetime dues, and I mailed his badge to Snellville, Georgia, where he now resides. I hope to see him sometime in the future.

Also I contacted Jim Madiar #13377 in Converse, Louisiana. He is now an annual dues payer. Jim was originally from Taylorville, IL and was my 1972-73 Vice President of the Illinois Senate. Jim said that he will try to come to an Illinois Senate meeting.

If anyone knows of other Senators, please let me know and I will follow up with them.

## NASCAR

by JDO #35308

Thanks to all who worked the NHRA, NASCAR, and IRL the Illinois Senate will make about \$7500. Levy restaurants were very impressed with us and management said they would rather have the Illinois Senate than any other group work for them.

This year we were able to work the suites which allowed us to be in air conditioning and also be able to see some of the race. We served food and beverages to them and got to hear some great stories.

I would like to thank Tony Symoniak, Ted and Francine Kuenzli, and Bev Olson for opening their homes to allow workers a place to sleep and get cleaned up to work. I would like to thank Larry Ferguson, Wayne Kiefer, and Wayne Huelsmann for coming the farthest to work and a special thanks to Eldon Bowers for coming from Iowa to work four races for the Senate.

This is the last year of Levy's contract with the Speedway so we will have to see if they are renewed and if we will be asked back next year.

This is a great project for the Senate. The work is not hard. The hours are long but we got to see some of the drivers and the food is excellent. And we tailgated after the races while the parking lots cleared.

If Levy gets the contract and they ask us to work again I would encourage each Senator, especially those who live within two hours of the track to consider working. It helps raise funds for the Senate and also allows for many stories to tell.

As Manpower chair I would like to thank Past President Steph and President Gary for giving me the opportunity to work this project. Again, we showed that the Illinois Senate is the best group when it comes to serving the community.

## LOTTO RAFFLE

by Donna Baker #7811 • [jwlry95@yahoo.com](mailto:jwlry95@yahoo.com)

Lotto tickets are here. This is a great Senate fundraisers. It is very easy to participate. You can take an envelope of 10 random numbers and sell them for \$5 each. You can buy one for yourself or give as a gift. The tickets are good for the whole month of February. It is the evening Pick 3 Lotto. Winners receive \$50 every time their number is drawn.

If you did not pick yours up at the Picnic, I will have some for you at the September GA and the Fall Frolic. For those who are selling, you can turn in your money and ticket stubs to get more!

## **BAR BURGERS**

by JDO #35308

2009 saw Bar Burgers held at the Addieville Community Center. We had 101 attend this year which is the second biggest crowd ever. The room was air conditioned, the burgers, fries, and onion rings were great, and the beverages were cold.

We collected \$200 which will be used to sponsor one hole for the Olsen and two holes for the Bubba golf outings. The hole sponsorships support the respective scholarships.

The usual prizes were given and cherished by those who won. It is hard to believe that this project, which started up the road in Centralia, has grown to be this big. The committee would like to thank those who have attended each year and support this project.

Next year we will make a return visit to Danville and will no doubt have a great group attend.

I would be remiss if I did not mention that over half of the people who attended the picnic in Okawville make a side trip to the historic Blue Room in New Minden. Whether it was before or after the Civil War Fort or golf or just to satisfy curiosity people went and many ate. Comments were made about how great the food was and how cold the beverages were.

While you are no longer allowed to shoot the gap my granddaughter was allowed to write her name on the wall. Probably had something to do with bringing all those people to the bar.

Thanks for continuing to support Bar Burgers and the scholarship program. We look forward to another successful project again next year in Danville.

## **HOSPITALITY**

# CHAPLAIN

by Ray Ainslie #44136

**W**e are Family! What a remarkable theme for this year! It is not like we have not always known that we are Family, but this gives us the opportunity to really bring it home. We share our moments of joy, we share each others moments of loss, we sometimes get mad at each other and even hurt each others feelings now and then. Perhaps it is that we understand the beauty of the human personality and that helps us.

Recently, I had the opportunity to talk to members of a family that do not experience what we have. They have members of their family that have not spoken to each other in years – brother and sister, mother and daughter. It is a sad state they are in. Too late they will learn that the candle of life burns more quickly than they think. The flame will one day flicker out; too late to say I'm sorry, too late to say, "I love you." In our Senate Family may we always know better. Regret is a bag too heavy to carry. May we always open our hearts, our homes and whatever else we can to each others aid. We are indeed a family, one crazy, mixed-up, somewhat dysfunctional family. God Bless us one and all.

Special prayers for:

Jeff O'Kane – loss of his brother

Monty Schroeder – loss of his father

Maureen Butler – loss of her grandfather

Bill Patterson – recovering from surgery

Kate Patterson – broken arm

Greg Hilleary – loss of his aunt

Reba Hoffman - recovering from surgery
