PRESIDENT'S MESSAGE

by Greg Hilleary #43305
ghilleary@hacd-hud.com
(W) 217.444.3301 (H) 217.443.1571

I would like to thank the Illinois JCI Senate for allowing me to serve as your 44th President. I look forward to working with all of you as well as members of the Illinois Jaycees this year.

I want to personally thank Monty Schroeder #62203, Mark Niedenthal #39701, Denny Birt #37116, Maureen Butler #67669 and Sherrie Dosen for the outstanding home town hospitality they prepared for us at the picnic in Danville. I would also like to thank Mary Ann #64615 for orchestrating Hospitality on the Hill on Thursday. The wine tour, golf, boat rides and the museum tours were all enjoyable. It's my understanding that Danville's own Sparky Songer from the Vermilion County War Museum was quite a hit.

It is with great sadness that I must inform you that Senator Ron Riek #9180 from Pekin, Illinois died just after our picnic from complications he suffered after a heart attack. Ron served as President of the Illinois Jaycees from 1968-1969.

Mary Ann and I began our travels in June with a trip to the National Convention in Concord, California. Congratulations, to President Gary for being named as one of the Outstanding Presidents, Marsha Devore #67330 for Return the Favor, and Co-Chairs Gary Pittenger #24804 and Fred Rutz #49724 for the Outstanding Return the Favor Project – TOYP.

Our next stop was the Bubba Golf outing chaired by Wayne Kiefer #36498 and assisted by Susie Colbert-Curtis #38086. It was a hot humid day, but the food was good and money was raised for the Illinois Jaycees Charitable Foundation for scholarships.

We then headed north to Joliet to the Chicagoland Speedway to provide manpower for the races. I want to thank Bev Olson #43473 and JDO #35308 for their hospitality and the tail gate refreshments we enjoyed, before we made the trip back home.

Our next trip was a little farther to the east as we headed to the Ohio Pig Roast. Both Mary Ann and I were granted our opportunity to Kiss The Pig along with Linda Ferguson #64547. Their hospitality was great thanks to President Jenny Bruner #64688 and their entire committee. The Pig, after it was roasted tasted pretty good too!

Our next travels will take us to the Kentucky Bourbon Bash, the Iowa JCI picnic and the Michigan Golf outing. We are looking forward to great food and hospitality as we travel Region V and into Region VI.

ADMINISTRATIVE REPORT

by Kate Patterson #52517

I am happy to serve as your Administrative Vice President this year. The Senate has many exciting events coming up and looks forward to a successful year.

Maureen Butler #67669 will be serving as our Return the Favor Chairman. Please keep her informed about your involvement in helping our Jaycee chapters build success stories.

Chuck McFarlin #47910 is our Freshman Senators Chairman. I am sure he will do a great job of welcoming new Senators into our organization.

Patty Butler #65322 will continue as Camp New Hope Chairman. The Camp needs our help now more than ever. Please support this wonderful cause.

Dick Hiatt #7811 will continue as our Historian. Dick is a wealth of interesting information about the history of our organization and we look forward to his informative reports. We appreciate Dick reaching out to our experienced Senators and keeping them involved.

Even though the Bears have returned to camp, it is still baseball season. Hopefully many of us will be cheering on our teams in the post season. Enjoy the fall.

President's Message (Continued from Page 1)

Our fall meeting will be held in conjunction with the Illinois Jaycees in Naperville from September 10th to the 12th. The Larry Olsen Golf Tournament will be held that weekend too. This will be our dry run for this hotel as it is where we will be hosting the US JCI National Convention in June 2011.

If that is not busy enough, its now time to work six University of Illinois football concessions. Denny Birt #37116 is again chairing this project. We need all the workers we can get. As always, there will be hospitality before and after the games.

By the latter part of September, we will be on the road again to the Fall Board meeting in Bloomington, Minnesota. I know Mary Ann is looking forward to paying a visit (or several) to the Mall of America. Once again, we are looking forward to sharing hospitality with all our senate family from across the country.

At the picnic in Danville, Illinois Jaycee President Kathy Crick asked the Senate for help. The Illinois Jaycees need our help to grow, but more importantly to assist them with Individual Development Programs to activate and retain their members. She asked me what incentives the Senate would need to help them, I replied, "no incentives needed, this is our job and we are more than happy to assist".

The Jaycees have become multi-generational, as I followed in my fathers footsteps into the organization, now so has my son Ross. Don Falls #40510 gave the Jaycee Membership Oath to his daughter Julia at the picnic. Whatever we as an organization can do to assist the Jaycees or whatever you as a Senator can do, please do so and nurture the roots of our very own organization. As JCI President Mike O'Connell #40225 would say: they are the acorns that will grow into the oak tree that we have become.

Hope to see all of you at the Fall GA meeting in Naperville!

TREASURER'S COMMENTS

by Don Falls #40510

(W) 217.785.1997 • (C) 217.415.2636

It has been an interesting few months learning to be your 2010-2011 Treasurer. Would you believe the treasurer has to do things other than count money and write checks? The next time I run for an office, I am going to ask for a job description. Lucky for me, I have a great support staff of past treasurers who will tell me what to do.

On to membership, we began the year with 742 members. While we were in California, we grew by one member, a former Illinois Jaycee that is living in California joined. I sent out 42 annual dues statements and they are beginning to come in. We have one new life member.

If you need to get in touch with me my email address is: don40510@sbcglobal.net and my phone number at work is 217-785-1997 and my cell phone is 217/415-2636.

EDITOR'S NOTEBOOK

by Charlie Gouveia #18294

You have to start out HOT to get COOL! Picnic 2010 in Danville was certainly a good example of that. Great job, SERVE Region Senators, I am sure that the 120 Senators and guests in attendance all appreciated your efforts.

We wound up President Gary's year with a bang, and gave a big boost to start President Greg's year, moving from #43 to #44 seamlessly. That continuity is an often overlooked asset that the Senate can give to the Jaycee movement; lending the flavor of history and consistency to an organization of rapidly changing membership and directions. Senators are there, yesterday, today, and tomorrow to give assistance where needed and requested. The Illinois Jaycees may once again be getting hot, and we encourage that effort. Senators are (usually) calm, helpful and most of all consistent. It's cool to be a Senator!

Be a cool one, join us in Naperville September 10 - 12 at the Holiday Inn Select.

Deadline for the Winter issue of FORUM will be November 1, 2010, so we can get it out a little earlier.

ILLINOIS FOOTBALL CONCESSIONS

by Denny Birt #37116

Illinois Football is just around the corner. Looks like this year's team has a chance to win a few. Again we have been asked to manage a concession stand. As in the recent past, we will be aided by the Parkland Dance Team.

The Schedule this year is as follows:

9/11	SIU	6:00 PM
9/18	NIU	TBA
10/2	Ohio St	TBA
10/23	Indiana	11:00 AM
10/30	Purdue	TBA
11/13	Minnesota	TBA

Notice that our home season ends early this year. Please pick a game to volunteer. This is the time for Region Directors to step up and put together a team for one Saturday. We would appreciate any help we can get. We need as many of you working as possible, Thank you!

THE HEARTLAND HONEYDIPPER

by Linc

What a way to start a year of being a "Cool Senator", just hold Picnic on one of the hottest weekends we have had in years! If you were not at the IL Senate Picnic this year then just maybe it was because YOU CAN'T TAKE THE HEAT!!! There was some mighty warm and humid weather brought in special from the jungles of the equator just for us to enjoy. And if you think it was hot at ground level, you should have in the pit with 'Ol Linc! The heat can make the stuff on your shovel ripen quickly and therefore much easier to "detect".

When not in the pit, Linc was on the prowl in the shade and the shadows trying to stay cool while others were busy losing theirs. Don't believe it? Check out the following:

* Thursday hospitality was COOL in spite of the heat and there was plenty of "hanky panky" for all concerned, just ask MaryAnn. * Friday golf was scorching but the lemonade made it possible to forget the heat and maybe even your name. * Did you notice Chuck McFarlin "putting a cork in it" at the winery? (Second time for him, refer to 2009 Picnic coverage in the Fall '09 FORUM) *Using the pool was a way to stay cool, but please hold your tongue and try not to drool. *It's not the Blue Room but, oh boy, the Boat Club can belt out some big ass burgers. *How about those boat rides? *Can you call it a "courtesy lift" if Wiley is driving the golf cart? *Did you notice Wiley's name tag? Linc wonders if Texas approved his ambassadorship to Illinois *At the beginning of the business meeting, Linc overheard Kate say, "I think I'll just sit here & vibrate" *Perhaps you noticed Linc attending the Picnic banquet on Saturday evening? Gotcha! That was really Rick Rotramel doing his best Linc or Jack Nicholson impersonation, and those shades were stunning. *The kitchen didn't really care how you wanted your steak because you could have whatever you want. The committee just wanted to see how many times you could order the same thing you did earlier. *After all, it's a nice ice-breaker with a new guest or a face you haven't seen for a while. *At least they know they are going to be getting a steak . . . sooner or later. *There were a few people asking the steak question that were not even associated with the committee, they just wanted to talk. *Chris told NVP Voshel "that I tell Suzie when to kneel." Linc believes Karen tells John when to kneel. *Ask Chuck McFarlin why he is the newest Ohio senator. "Don Falls says that the Treasurers job "Sure is a lot of work". DUH!"

AND..... If you didn't get enough hospitality it was YOUR fault. *Some had more hospitality than others. *Ever notice that the people you think you know get WAY more interesting right before the hospitality room closes. Though it was NOT posted on the list of available Picnic activities, Linc did take note of a number of folks making their way across the street to Big Lots. That's OK if you don't want to talk about it, just so you know it was noticed.

By Sunday, the pit runneth over. Linc has been busy all week trying shovel some of it out, but it keeps flowing in from somewhere. I Talked to Charlie and Mary Ann about these #@%\$#! short deadlines, but they just blamed Hongsie and Greg! Linc will just have to put on the gas mask and have at it. In the meantime, watch what you step in, **Linc is watching!**

GATEWAY REGION NEWS

by Peggy Korte #59375

The Gateway Region Senators have been busy as usual this summer. Breese was host for the annual Gateway Region Golf Scramble fundraiser on May 16, chaired by Chet Maue. A total of 9 foursomes golfed, raising \$700 for the region senate. The Gateway was also represented at the Annual Bubba Bash in Millstadt on June 26 and had a great time as usual. We didn't win any money, but we sure drank our share of beer – even in the 100 degree or so temp! A few travelers headed up to Danville for the IL JCI Senate Picnic July 22-24, at which time the Gateway Region Senate officially presented its donation to the Illinois Jaycee Charitable Foundation. The fundraiser last spring held in Grantfork raised a total \$3,650.00 for the Foundation, and we look forward to running another bowling tournament in March 2011.

The Gateway wound down the summer with its (kind of) Annual Gateway Region Senators Family Picnic on Aug. 01 at the Korte kountry house. 25 senators and family members enjoyed a fun afternoon of good food and fellowship, some not-so-very acrobatic stunts in the pool to beat the heat, and a little volleyball, bocce ball, washers and redneck golf. A nice relaxing way to wind down the summer and prepare for the kids to head back to college and their local schools. Thanks to everyone who came out, as I know the summer is unbelievably busy.

Congratulations to Hongsie on a *fantastic* year filled with a lot of fun and memories. Best wishes to President Greg and the IL JCI Senate Board for 2010-2011. Looking forward to an awesome year!

SERVE REGION NEWS

by Robert McGraugh #36156

Greetings from the SERVE REGION (the old South East, River Valley and East regions). Our region just finished hosting the senate picnic in Danville. We hope all of the attendees had a great and fun time. We enjoyed being your host. Special thanks to co-chairmen, Monty Schroeder and Mark Niedenthal and their committee. Congratulations to Past President Gary Hongsermeier and his board for the past great senate year, and best wishes to President Greg Hilleary and his board for the upcoming year.

The SERVE REGION is the home region of the Illini football concession project with Senator Denny Birt as chairman. He needs help for the 6 home football games this year, especially the first one, which is Saturday, September 11 at 6:00pm against SIU. We also have a GA in Naperville that weekend. SERVE Senators that are not going to the GA, I am asking for you to please volunteer and help Denny on this great and fun, and of course, money making project for the Illinois Senate. If you can, contact Denny @ denny@dave-harry.com or me @ 217-799-8318 or robert.mcgraugh@sbcglobal.net

Also this year, I would like to plan a get together for the SERVE Senators, especially trying to get in attendance some of the old faces that have faded away and haven't seen for awhile. Open for suggestions and ideas, will try to have it centrally located for travel purposes.

A special THANK YOU to Past President Gary Hongsermeier and Senator Terry Barker.

Until next time, STAY COOL, because we all are Senators.

HIATT HISTORY

by Dick Hiatt #7811

It is with a sad note that my friend Ron Riek #9180 passed away Tuesday July 27th. Ron was a past president of the Illinois Jaycees in 1968. He was active in the Senate in the 1970's. He will be greatly missed.

**ILLINOIS JCI FALL MEETING
SEPTEMBER 10 - SEPTEMBER 12, 2010
NAPERVILLE, ILLINOIS**

CHAIRMAN OF THE BOARD

by Gary Hongsermeier #39708

What a great picnic weekend, we had in Danville. Danville and the SERVE region are to be commended on their first class effort to have plenty of great food and drink, large meeting room for hospitality and a great room for the meeting and dinner. Whether it was golf, hospitality, or pool time there was something for us to enjoy.

The Year of the Family Across Illinois is now history. I would like to thank my board members, chairs, those who traveled the country and sister Nancy for making this a great year for me personally. At the national convention, several of our members and projects were recognized. While we do not do things for awards, it is still nice to see that people recognize the accomplishments of the Illinois senate. Thank you for your effort this year.

I am confident that we will all support President Greg and his team as they begin the year of "It's Cool to be a Senator". Whether it is working at a project, chairing a project, or traveling to other states and national meetings, I am sure we will all enjoy the year.

In June 2011, Illinois will host the national convention in Naperville. This will be a huge undertaking. I am asking each of you find a way to assist. There are many ways you can help either before or during the convention. Whatever you can do would be most appreciated.

Thank you again for your support. Let's dedicate our efforts to making this year even better.

CHAPLAIN

- For the Family of Ron Riek #9180 on his passing
- For Beth Atwood #66153 on the passing of her brother Mike

- For Barbara Paulcheck recovering from surgery
- For John Gapinski #44450 recovering from severe burns

Throughout our Jaycee careers we have experienced an occasion when our ambition has crossed paths with another's. Often we simply referred to this as an election. Sometimes it was more. I recall in my own career when I deferred my ambition to another because I felt it was the right thing to do. Why? Because I saw my ambition as a "want" and not as a "need". I did not need to do what I wanted to fulfill my career path so there was no viable reason to stand in the way of another – it was the right thing to do.

Why do I tell this story? Recently I was able to use the same story to mentor a young lady in another group who was in personal turmoil due to an ambition conflict. She and a young man both wanted to be local president of their association. Her future plans are to move on to the district level, a goal that does not require her to be local president, while her friend plans to stop at local president. To complicate it more, it is his last opportunity to serve his local club as president. She came to me for advice.

This is where my story came in. I told it to my young friend and then asked, "Do you really need this, or do you just want to be president?" The question became to ask herself, "was there really a conflict or was she creating a conflict because she could?" It did not take her long to know the right thing to do. And although I have used my Jaycee experience in many different ways outside of Jaycees, it felt particularly good mentoring beyond Jaycees. How many times have we missed the opportunity to share our experiences? For that matter, how many times have we ourselves failed to evaluate our own wants against our needs?

God's blessings to you all.

REGION V "BUILDING OUR FUTURE"

by John Voshel, NVP Region V #44396

Greetings Illinois from Region V. First of all thank you Illinois senate for the great hospitality at your picnic. Mark, Monty, and the committee did a fantastic job with a crowd of 118. I have always enjoyed coming to Illinois and I will continue to do so. The summer has been busy for traveling. In mid-July I went and kissed the pig for the Ohio Pig Roast. Later in July, I went to Indiana for the JC's/Senate meeting which the Senate ran. August saw me in Kentucky for some Bourbon Slush and, of course, more golfing. Then the last weekend in August is the Michigan Golf Outing in Plymouth MI. And in September do not forget the Michigan Renaissance Festival and the Border Bash in Angola Indiana. Something is always happening in Region V.

The fall slows down a little but the Region stays busy by promoting the "Mentors Program with the Jaycees". We are "Building our Future" by trying to activate some Senators we have not seen for a while and to activate some of our new Senators. I am so honored by being the Region V Vice President, enjoying meeting new friends, and reacquainting with some I have not seen in years. It's truly awesome.

Thank you to five outstanding presidents Deb, Greg, Janie, Jenny, and Bette for all of your hard work. Special THANKS to my staff (especially my administrative assistant/treasurer Karen). All of you are the best.

Upcoming events in Region V are:

- 6-8 Aug - Kentucky Bourbon Bash, Bardstown, Kentucky
- 13-14 Aug - Woodward Dream Cruise, Detroit, Michigan
- 27-28 Aug - Michigan Senate Golf Outing, Plymouth, Michigan
- 11-12 Sept - Michigan Senate Renaissance Festival, Holly, Michigan
- 23-26 Sept - National Fall Board Meeting, Bloomington, Minnesota
- 22-23 Oct - Border Bash MI/IN/OH, Angola Indiana
