Get Well Wishes

Please keep Mary Ann Hilleary in your prayers.

From Mary Ann: My luck with my knee, continues to be shitty. I lost my balance on Wednesday, November 24th and fell, of course on my bad knee. Spilt my latest incision wide open. I have been at Carle in Urbana, since late night on the 24th. I had a wound-vac put on the 26th. On December 1st, they took me in to do a wash-out and to get the wound, sewn up. Unfortunately there isn't enough tissue to close the wound. I will have to have a muscle moved and a skin graft done in the near future.
