PRESIDENT'S MESSAGE

BILL PATTERSON #47979

56TH PRESIDENT ILLINOIS JCI SENATE

708-280-3497

pfcoachbill@aol.com

Greetings from the Illinois Caddyshack!

Illinois JCI Senate

Welcome back to the Caddy Shack!

As we approach our last three months of the year, I am very grateful for all of our hard-working chairmen. Our fundraising is going very well. The Gift Cards Project has been a consistent performer all year long, with several of our members taking the lead. **Kate Patterson #52517** with the Holiday Decorating Contest involved members from across the state, and as far away as Colorado and Florida. **Monty Schroeder #62203** is halfway through this year's Poker dates and they are doing very well. **Tony Symoniak #66367** just completed our most successful Lotto project ever! **Ray Ainslie #44136** is right in the middle of his March Madness Pool, and that is also going very well. **MaryAnn Hilleary #64615** is gearing up for our Silent Auction to be held at the May meeting. Please consider donating items for this event. Great job to all our performers!

We just returned from Region V Spring Fling in Galena, and it was a great time for all the 100+ members who attended. **Kathy Crick #71017** put a great deal of effort in over the past two years, and really impressed me with her energy and work ethic over the long weekend. Many thanks to all who worked on this very successful project, both long term and over the weekend. **Norm Hoffman #25676** and Linda were the best of hosts for the event.

We will be electing next year's leadership team at our May 5-7 meeting in East Peoria. I hope that many of you will attend the TOYP and Hall of Fame Awards that weekend. It would be great to have a strong show of support for the Illinois Jaycees. I thank **Rod Hollenstine #46073** for serving as the Senate's representative for judging.

Please consider this to be your invitation to join us for the Illinois Senate Picnic in Savoy, Illinois July 27-30. You won't want to miss all the fun! There will be Bar-B-Que, two days of golf on the University of Illinois courses, "Bar-Burgers," an Illinois tradition, an outstanding Steak Dinner and some of the best hospitality that you will enjoy anywhere!

We have only a short time left in this Senate year. It took a great deal of hard work to be honored with a Senatorship. Receiving a Senatorship should not end the story; it should be the beginning of a new chapter in your story. Please take the time to invite one of our less active Senators to get back involved with our group. We need them, and they will appreciate that you cared enough to ask. Please help others to "Experience the Senate."

I hope to see you all in East Peoria, and on to Savoy!

Keep them in the fairway!

ADMINISTRATIVE REPORT

JUDSON DEVORE #65005

217-210-1810 - jud_devore@msn.com

It is hard to believe that our year is almost over. There is only a little more than 3 months left. I hope everyone is close to or has already achieved what they planned to for the year. If not, you have just a few months remaining to achieve your goals. If there is anything that any of the Management Team can do to help you, let us know!

SOAR Co-Chairs **Larry Braus #59796** (larrybraus@aol.com) and **Marsha DeVore #67330** (devore.marsha64@gmail.com) want to continue developing different ways of activating Senators as mentors. Contact them with ideas or if you need help.

Any information with historical value to the Senate should be sent to **Ray Ainslie #44136** (RayAinslie@frontiernet.net).

New Senators should contact **MaryAnn Hilleary #64615** (MaryAnnH63@yahoo.com) to begin learning about the Senate.

Mark your calendars for July 28th through July 30th for the Illinois JCI Senate Picnic in Savoy, Illinois. **Lynne McGill #70364** (LynneMcGill1@gmail.com) is heading up the Picnic Committee. Let her team know that you will be at the Picnic this year!

Send **Terry Niemann #79418** (Thunder9779@yahoo.com) any questions about Camp New Hope. Still working out the details, but we plan on having a fundraiser at the May GA mixers. A hint: it will consist of a Roomba, balloons, and lots of fun! You will just have to attend the May GA and experience it yourself!

MANAGEMENT REPORT

SUSIE COLBERT-CURTIS #73137

618-974-9599 - susiejci73137@gmail.com

Can you believe how fast this year is flying by? It's almost Easter.

We just returned from Spring Fling in Galena, 5 hours 18 minutes, 337 miles and still in Illinois, although many of us called it Wisconsin as a joke. It was so cold and it snowed, but we had a great time and so many laughs. The friendships I have made in this organization make the travel so worth it. I love to hang out with my friends and experience new adventures, like traveling to a winery on a dirt road (the dirtiest my car has ever been) or deciding when we introduce Senators at banquets or events, we should describe them like a bottle of wine...example...full bodied with a crisp refreshing nectar finish or a perfect combination of acidity and sweetness. Many of us are in both categories.

I want to thank **Kathy Crick #71017** who stepped up to help **Rita Senger #68534** with hospitality at the January meeting. Also, thanks go to the Northeast Region for supper on Friday Night, South Region for breakfast on Saturday and Gateway Region for Lunch.

We are meeting at the Embassy Suites, East Peoria, May 5-7 for TOYP - Hall of Fame. The SERVE Region has agreed to provide supper on Friday and South Central to provide lunch on Saturday. The hotel will provide breakfast.

Hope to see you at a meeting or event.

TRIBUTE TO JIM MATHIS #32168

BY RAY AINSLE #44136

Jim Mathis was the 22nd President of the Illinois JCI Senate. He worked for the Illinois Department of Transportation for over thirty years. He was a lifelong member of the Paris community. Jim took seriously his role as a citizen and was generous to his community with his time and talents. He was elected to several terms as Town Clerk for Paris Township. He was a founding member and past president of the former Kiwanis Early Risers. He later joined the Kiwanis Club of Paris where he continued to take an active role, currently serving as Secretary.

And of course, he belonged to the Paris Jaycees. The Paris Chapter was more or less challenged to give Jim and his sidekick, **Ted Lang #26718** their Senatorships. Paris was one of those chapters that *"didn't believe in Senatorships"* so many a talented leader was not so honored.

The winter of 1978-79 was a cold and snowy year. Illinois Jaycee State President **Norm Hoffman #25676** visited the Southeast Region and got snowed in and could not get back home until the next day. This gave him the opportunity to talk to chapter leadership about considering bestowing a Senatorship to Jim. They balked but were challenged to do the paperwork or Norman would do it for them. Paris gave Jim Senator #32168. He became active in the Illinois Senate and is remembered as always being kind. That is a quite the tribute. He and his wife, Cindy, always had a smile and something nice to say. As Illinois Senate President from 1988-89, he invited us to *"Share the Dream."*

During his year as President, the Illinois Senate became host of the Winter GA and TOYP program for the Illinois Jaycees. This program went on to be the best *"Return the Favor"* program for years in the US JCI Senate. He welcomed our first female senator, **Bev Olson #42473**, and presented the Illinois Jaycees a check for \$10,000 to build the Service Center.

But again, it was his kind and gentle demeanor that we remember most. Not one to boast, nor ensure that his name was first-most, just that whatever needed to would be done. Considering his admiration of Ronald Reagan, *"Great things can be accomplished when it doesn't matter who gets the credit."* That sums up our friend Jim—a quiet man with a passion to improve his community.

US JCI SENATE FOUNDATION

REGION V REPRESENTATIVE

MARILYN BURTON #55106

309-265-8747 - mkbrph@comcast.net

I'm happy to announce that there was wonderful participation in donations, bidding, set-up, and conducting the US JCI Senate Foundation Auction fundraiser at the Spring Fling in Galena. Many thanks to everyone involved. We were able to donate about \$2,200 towards scholarships for

Region V from this event with both the Brown Bag and Silent Auctions.

It's been a great experience serving as Region V Foundation Representative and I thank everyone who supported each event. There will be a big auction on the Tuesday of US JCI Senate National Convention in St. Louis, in case you look forward to "shopping" again.

If you want to join the US JCI Senate Foundation, the donation is \$150, which can be broken into 3 payments. Members can participate in the 500 Club, which is 12 months of drawing tickets (starting in July) and tickets stay in all year. Drawings are held monthly for cash prizes. The amount you spend goes towards your total donation (in \$50 increments). Let me know if you have questions.

SILENT AUCTION

MARYANN HILLEARY #64615

618-974-9599 - maryannh63@yahoo.com

The annual Silent Auction will be held at the May GA in East Peoria on Friday the 5th and Saturday the 6th. I am going to try something new this year. Bidders will be able to fill out a

max bid form – which means if you get out-bid, your bid will automatically be increased by the bid increment each time until your max bid is reached. We will also have "buy it now" items. If the item doesn't have a bid on it, it can be purchased at the buy it now price.

It would be helpful, if you could let me know ahead of time what you are bringing. If you have something to donate and can't make it to the May GA, let me know and I will try to get it picked up. Thank you for your support.

TRIBUTE TO CHARLIE GOUVEIA #18294

BY RAY AINSLE #44136

Charles Harris Gouveia, that is the name his mother and father gave him, but we all knew him as "Charlie", a friend, a mentor, a resource, a leader and did I mention, a friend.

It is not surprising that Charlie was involved in Boy Scouts and received the Eagle Scout distinction in his youth in Peoria. Nor that at the University of Illinois, he was active in various extra-curricular activities. Graduating in Landscape Architecture he was hired by the Illinois Department of Transportation as an Assistant Landscape Architect. This began his travels with Jaycees and his job. IDOT District 7 was in Effingham. Charlie became an integral member of the community – church, Boy Scouts, Good Neighbors Club, and Elks. He organized, fund-raised, engineered and constructed a public water system for 250,000 households as chair of the Lake Sara Services Co-op. For all of us, the best was that he joined the Effingham Jaycees. He held numerous positions at Effingham, most notable, newsletter editor, VP, State Director and President. He moved into Regional and State involvement as a State VP, National Director and ON-TO Committee. In 1969 Charlie began traveling to US Jaycee national conventions. He became active with the ON-TO Committee and family vacations centered around those conventions. Effingham presented a JCI Senatorship to **Charlie Gouveia #18294**. In 1974, IDOT transferred Charlie to the Schaumburg office where he resided in Lombard. One of the first things he did was to seek out the Lombard Jaycees and became a member.

Not to rest on his history, he worked his way up the ranks in the Lombard Jaycees serving as VP, State Director and President. Not enough to keep him busy, Charlie also became a member of the Taste of Lombard and Fireworks Committee (chaired for many years), Lombard Park District, Lombard Lilac Parade, (remembering Lombard Jaycee Lilac water at conventions makes me shudder), church elder and trustee, YMCA Board and started his own business, Prairie State Landscaping. Lombard presented him with Ambassadorship #062. At this point he increased his involvement in the Illinois Senate becoming the Forum Editor, which he held for many years being recognized numerous times for the best Newsletter in the US. In 1982 Charlie became the 16th President of the Illinois JCI Senate. He served as US JCI Senate Region V VP 1987-88 and US JCI Senate Secretary 1989-90 receiving the Donnie Alvis Award for Outstanding Elected Officer.

In 1993 he was promoted to Chief Landscape Architect and of course, another move. New Berlin became his home where he expanded his business and retired from IDOT. Of course, he had to hook up with the Springfield Elks, and he reignited his passion of classic cars joining several local car clubs and became known as Chas. He was the founder and chair of *"For the Birds/Central Illinois Classic Thunderbirds, Inc."* and chaired all 10 Trails End Car shows.

In 1994 Charlie, *"the man from everywhere,"* was inducted into the Illinois Jaycee Hall of Fame. He was very proud of his daughter (not that he was not proud of all his children and grandchildren), **Mary Ann Riggs #52696**, for also having served as a Lombard Jaycee President and was inducted into the Illinois Jaycee Hall of Fame in 2019. For his years of devotion to The Illinois Senate and the Forum newsletter, he was named *"Forum Editor Emeritus,"* his *"Linc's Notes"* made one cautious of a *"misspeak"* near him. Many a president was presented a collage of pictures taken by Charlie during their year. Yet of all titles and recognitions – Boopa/Grandpa was his most cherished. He is survived by family and all of us who were honored to call him a friend.

TREASURER'S REPORT

ROXY HOLLENSTINE #78247

217-741-3083 - hollenstine@comcast.net

Greetings from Treasurer Roxy! As you read this, the Spring Fling held in Galena is now in the past. It was great to see so many of you there! The last few months have been busy: March Madness is ongoing with **Ray Ainslie #44136** doing a wonderful job. Good luck to all that entered.

Lotto is complete and **Tony Symoniak #66367** once again exceeded his goals – way to go Tony! I was able to deliver checks to about half of the winners in person at Galena. The rest of the checks were mailed out immediately following Spring Fling weekend. Poker nights are underway with **Monty Schroeder #62203** at the helm. He has already held one event and is well on the way to another successful year. Thank you, Monty.

Just a reminder there will be a Silent Auction at the May meeting. Please be thinking about possibly donating an item or creating a basket and let **MaryAnn Hilleary #64615** know. I love silent auctions and look forward to bidding on any, maybe all, of the items. Looking forward to see you all again in May.

SENATOR OF THE YEAR

CHARLES "CHUCK" EDWARD DICK JR. #79617

BY ERIC HIATT #81434, ILLINOIS JAYCEES 91ST STATE PRESIDENT

I have chosen to honor Charles "Chuck" Edward Dick Jr. #79617 as The Outstanding Senator for 2022. Chuck unfortunately passed in December but you can see the impact he had throughout the year for the Menard County Jaycees being their mentor and stepping up in any way that he could. I enjoyed getting to know him on my frequent trips to the chapter. Whether it was waving down motorists to stop at their canned food drive on one of the hottest days in the summer to helping the chapter gather donations for their Quarter Auction, Chuck was there volunteering with a smile on his face. In that smile you can see the sense of pride that he had, watching Jason and Jesica take on leadership roles in the chapter. Chuck's legacy of leadership will live on in the Menard County Jaycees for many years to come.

Eric Hiatt #81434, presents The Outstanding Senator award for 2022 to Chuck's widow Darlene Dick and immediate family.

A BIRDIE TOLD ME...

BY LINC

This space is saved for each and every one of you. Anyone can submit to this “tell-all” (if it’s appropriate) column. Inquiring minds want to know!

As Melodie was explaining to the Illinois Senate about the Region V game for National Convention, Kevin asked if it was going to be pickle spitting. Seems the Illinois Senate would need some training before committing to that one.

For those at Spring Fling in Galena, how many noticed the eagle flying past the window during the Pledge of Allegiance at the Saturday banquet?

Your Secretary is undecided if it is easier, or harder to get in the right order, when Motions and Seconds are by Terry and Terry and Tony and Tony.

What happens at the Region V Spring Fling doesn’t stay there:

You missed out on some great table talk about things like sacs (heard they were nice) or uncircumcised and circumcised (not at all what you’d think).

And responses like these were heard: ...I’m ready if they are not; ...they have big meat; and ...it’s not drying up.

Only in the hospitality room, are the words inconvenience and inconsistency interchangeable.

Don’t have one Past President help you get to your room; she will direct you to drive your car down a golf cart lane.

Next time you see Digger, ask him to sing “*The Winky Dink*” song.

Thinking you need to hang around more?
