IL BASKETBALL SQUARES

Thank you everyone that has participated in the IL Basketball Squares. I would like to THANK Jeff Hadley for all his all work and helping me fill up the squares. He was able to help with 40+ squares. If it wasn't for Jeff this fundraiser would have never started on time!!! I will be sending out weekly updates to everyone that has a square and post updates on our Facebook page. I will also use eblast on the 15th of each month.

Good luck to everyone that has bought a square.

LOTTO

Well, one fundraiser started and now its time to work on my second fundraiser in Lotto Raffle. We are only 8 weeks away to have this fundraiser start on Feb 1st!!! So far, I have sold over \$1900 worth of tickets. THANK YOU to everyone that has bought tickets. I still need everyone's help to reach my goal of \$2800. I am about \$900 short and \$1200 of beating my total from last year. This is a great way of giving tickets as Christmas gifts, Birthday presents, etc. Please reach out to me and I can send you the physical tickets or take a picture of your tickets and text them over to you. Best way to send me money is thru Zelle but I will accept PayPal, Venmo or a physical check.

Yours Truly,
Tony Symoniak
