

**Slowly Enjoying the
Senate Journey
2023 – 2024**

E-Blast!

August 15, 2023

Hello Illinois JCI Senate

We are halfway through August, and I am trying to figure out where the time has gone to. There are several of us attending the Indiana Summer Board Meeting in Portage, Indiana this weekend. I know we always enjoy ourselves in our neighboring state. Update concerning the Fall board meeting: The Jaycee got the date set for the weekend of October 6th in Springfield at the Wyndham. So, the Fall Board Meeting will be on October 7th at 9:30 a.m. No room information has been passed along to me. As soon as I know, I will make sure the information gets out.

The Forum deadline is September 12th, no later. We have a quick turnaround for it and the first issue of a new fiscal year has extra work due to changing of the guard. **All executive board members** should have their article in by **September 6th**. Let's please lead by example. The email address is iljciforum@yahoo.com. Send your article as a word file and articles should include the Senators names and number, they should both be **bolded**.

Please contact me if you have any questions or concerns. Let's continue the journey.....

Hello All!

I had so much fun last year traveling and promoting Senate events I decided to do it again! The above is a short list of some of the fall/winter events we have the opportunity to attend. If you want more information about meetings or registrations, feel free to reach out and I can give you a link or point you in the right direction. This year we're Slowly Enjoying the Senate. What a good message! Take it all in, make some time to reconnect with good friends, and be open to meeting new Senators along the way.

It's our time to SEA the Senate! Join us!
