

**Slowly Enjoying the
Senate Journey
2023 – 2024**

E-Blast!

September 1, 2023

Hello Illinois JCI Senate

Are the rest of you wondering where August went to? I know we are.

Greg already has 3 full weeks of school under his belt. The US JCI Senate Fall board meeting is being held September 21st -24th in Houston, Texas. I believe Illinois has

a nice size group traveling south, come join us if you can.

Maureen has the link included below, concerning the rooms for our Fall Board meeting. The Illinois JCI are asking us to help them with 20 room nights. So, if you plan on attending and getting a room in the room block, please let me

know so that I can have a rough estimate on the room nights.

The picnic committee has meet and hope to have the finalized

registration form included in the **Forum**.

The Forum deadline is September 12th , no later. We have a quick turnaround for it and the first issue of a new fiscal year has extra work due to changing of the guard. All executive board members should have their article in by September 6th . Let's please lead by example. The email address is iljciforum@yahoo.com. Send your article as a word file and articles should include the Senators names and number, they should both be **bolded**.

Please contact me if you have any questions or concerns. Let's continue the journey.....

Have a wonderful Labor Day weekend.
