Family Update

Prayers are requested for Garry Roux #39707. He had a VT heart ablation on Monday last week and developed bleeding in his thighs where they went in and had to have 7 units of blood. He hasn't been able to get any sleep. He was doing a little better yesterday but today he is not feeling well. He has a lot of fluid in his legs and that is not good. Cards can be sent to Garry at 521 Hoecker Dr, Collinsville IL. 62234.
